Dear Mr. Sarker,

Congratulations again on your fellowship award for your research on *Automatic Detection of Microplastic Settling Velocity using Deep Learning*, under the guidance of your advisors: Abul B.M. Baki, Ph.D., P.Eng, Associate Professor, Department of Civil and Environmental Engineering, Clarkson University; and Masudul Haider Imtiaz, Ph.D., Assistant Professor, Department of Electrical and Computer Engineering, Clarkson University.

This letter is to confirm your award of a \$7,000 fellowship award through the *New York State Center of Excellence in Healthy Water Solutions at Clarkson University and SUNY ESF* which was paid to you in June-July 2025.

Please contact me if I can be of any further assistance.

Sincerely,

Donna Kowal

The New York State Center of Excellence in Healthy Water Solutions is co-lead by Clarkson University and SUNY College of Environmental Science & Forestry and funded by the New York State Department of Economic Development's Division of Science, Technology, and Innovation (NYSTAR) with a mission to generate solutions that help protect and improve waters for sustainable natural environments, healthy populations, resilient communities and sound economies.
